

APPLICATION FOR WATER TAP

River Road Utility District 2201 River Road Ashland City TN 37015

I hereby make application for residential/business water service (where available) from the River Road Utility District. I understand that after paying all required fees and complying with all the applicable Rules & regulations and Policies for service at my property on

_____ (Address of Property)

I agree that I will cause the property described above, which is owned by me, to be connected with the District's water system, and I agree to begin using water immediately upon connection. I agree to promptly pay for water service at the district applicable scheduled dates. I acknowledge receipt of a summary of the District's rules and Regulations (contract), and I understand that a complete set of Rules and regulations are available at the principal office of the District. I understand that the board of Commissioners may from time to time revise the Rules and regulations, and I agree to be bound by and until I cause a renter to sign a contract or a purchaser to sign a contract, or until I shall cancel my service by delivering written notice to the District of my sale of property as required by the Rules and Regulations. I also understand that I am responsible for the service line from the meter to my resident/business. By executing this contract I dedicate to the district an easement for its water meter and for the water service line leading thereto (on the District's side) for the installation, maintenance, and replacement of the District's property necessary to provide water service to the property.
